Not sorry at 'the
rocks' - memory flooding
back & some excellent
dances too!
He will speak soon, but
not then.
Fairest love from,
Diana!

HORSING AROUND

Talk about a mane attraction! Jewelry designer Karina Brez specializes in pieces inspired by the equestrian world. From dainty hooves and horseshoes to the nuzzling heads of her signature Horse LUV collection, each bauble is crafted in 18 karat white gold, rose gold or yellow gold, with gemstones kicking up the glam on select styles. Prices start at \$700.

THOUGHTFUL SIPPING

Cheers to sustainability. Neutrall's carbon-neutral glassware is made in the USA using upcycled materials — sans sacrificing strength, durability or convenience: They're dishwasher safe. The minimalistic-chic 8 oz. kitchen essentials currently come in two- or six-packs, with clear and green tinted alternatives. Cost? \$23.98 and up.

HOLD IT RIGHT THERE

There's locks to love about Salon Grafix Super Hold Unscented Hair Spray! Not only does the antioxidant-infused formula keep strands in place all day long — with the flexibility to brush through and restyle — but it also adds volume and shine. Even better, this humidity resistant wonder worker is never sticky and dries fast! Cans are available to buy at Stop & Shop stores nationwide.

CORRECT & PROTECT

Hello, miracle in a jar! U Beauty, the science-proven skincare line, created its new Multimodal Defender Broad Spectrum SPF 30 to visibly reduce hyperpigmentation, dark spots and fine lines while providing protection against UVA, UVB, infrared and blue light exposure. Price tag for complexion perfection? \$168. ubeauty.com

POWER HEELS

ARCH NYC invites shoe devotees to step out of their fashion comfort zones and into the brand's conversation-starting footwear. Current offerings include a \$160 mule covered in faux pony hair and \$200 slingbacks in vibrant satin. Both pair well with jeans and dresses, alike, and — bonus! — boast memory foam midsoles. archnyc.co
